The Pink Affair 2008

The Sixth Annual Pink Affair was held on May 3, 2008 at the Metropolitan Club in Alpharetta to support breast cancer research and survivorship issues. The women of Zeta Tau Alpha Alumnae of North Fulton once again orchestrated a fabulous and fun evening for a great cause. Greg Talmadge, a local radio personality provided music, while 'Moby', a

well-known disc jockey, was the master of ceremonies. There was even a special appearance by Elvis! Over 250 people attended and bid on a wide range of large and small auction items, including handmade jewelry, signed sports items, and even a trip to New York City with tickets to *Live with Regis and Kelly*.

The Pink Affair provides significant financial support for the work of TurningPoint Women's Healthcare, and also supports the Zeta Tau Alpha Foundation and Komen for the Cure – Greater Atlanta Affiliate. Be on the lookout for next year's Pink Affair!
